30E-JPRG—If ever we wanted to keep a bull that we raised, this bull makes us want to do just that. He is a Caving Ease Bull with his actual birth wt at just 68 lbs. His yearling wt has just been explosive and something to see. Full Bodied and wide great disposition with eye appeal. Past genetics like Echo 575E and Heavy Equipment come alive in this young bull and he will pass them on. BCS 7, SC 37, Motility g, Morph 87%.

**LOT# 07**  
**SCVA PATHFINDER 3 – 18906504 – ANGUS**

**BULL      BORN: 10/7/17      TATTOO: 3**

Consigned by: Spring Creek Valley Angus – Waverly, TN

Buford Pathfinder C304	SAV Resource 1441 Buford Elber 811Y
SCVA Altum of Conaugu 5	Upward 8 of White Oak WOA Alliance 66

SCVA Pathfinder 3 is a well-rounded, gentle, low BW Angus bull. In one genetic package, he combines some of the best proven genetics from the Angus breed's top programs. On his top side, from the Schaff Angus Valley herd, his sire provides the easy fleshing high performance SAV Resource 1441 genetics and the time tested maternal ability of the SAV Bismarck 5682 bloodline. On his dam's side, he combines two bulls from the SITZ Angus Ranch hall of fame in Upward 307R and Alliance 6595. His paternal grand dam SAV Blackcap May 4136 is the all-time high income producing cow in the Angus breed and produced the sire of the all-time high selling Angus bull for \$1.51 million on Feb 2019. SCVA Pathfinder 3 comes with passed BSE, passed BVDV test, and is i50k tested which qualifies him for most state's Ag enhancement reimbursement programs. Don't expect him to melt as he has not been pushed for sale day with his fertility and longevity in mind.

AMGV427849

WHAT a great opportunity!! CCRO 3216A – We decided to market our herd sire. A hard decision, because he has done a great job and still has great potential. He is sired by the widely used Lazy TV Sam U451 Gelbvieh bull. This bull came to us from the CCross Cattle Co., North Carolina and is out of their Miss Bow Tie 0318X. One of only 2 bulls purebred Gelbvieh, Homozygous black, Calving Ease bulls that sold in their Fall 2014 sale. His half brother is the much sought after Leverage bull that sold that day for \$30,000. Don't miss this chance to own great genetics and improve your bottom line.
